

NAVIGATOR STEEL SIDING

We've combined high tech steel and our ultra-durable proprietary coating for the best siding experience. Designed to withstand the harshest weather, Navigator Steel Siding is hail resistant, wind resistant and won't fade like other sidings.

Designed to Perform Beautifully

ADDITIONAL STATS

- Highly resistant to fire (Class A Fire Rating)
- Withstands Category 5 hurricane winds over 155 mph
- Zero caulking, sanding or repainting required
- 96 color/profile combinations
- Won't crack, peel or melt
- Made with recycled materials
- 100% recyclable

A higher rate of Return

Remodeling Magazine's 2018 Cost vs. Value report shows a higher rate of return on replacement jobs- such as siding projects- than most other remodeling projects.

Project	Recouped Cost
Siding Replacement	76.7%
Roofing Replacement	68.4%
Window Replacement (vinyl)	74.3%
Major Kitchen Remodel (midrange)	59%

Powerful Curb Appeal

Navigator steel siding will keep your home looking new for many years with virtually no maintenance- simply spray with a clean hose. No need to re-paint. Customize your home using any of our colors and profiles for a look that's uniquely yours. Navigator's low gloss, fresh, modern color palette works beautifully on any type of home.

Works on All Home Types

Cape Cod: Typically feature 6", 8" or Double 4" or Double 5"), beaded or Dutchlap (Double 5") siding

Craftsman: Often feature clapboard (6", 8" or Double 4" or Double 5") or shake siding

Georgian and French Colonial: Predominately feature traditional clapboard siding (6", 8" or Double 4" or Double 5"). Beaded or Dutchlap (Double 5") siding can also be used

Queen Anne or Victorian: Clapboard is usually dominant but can also feature beaded, Dutchlap (Double 5"), Board and Batten (12" Vertical) or shake style siding
